

Alice Springs Mining Services Expo

THE
TERRITORY

The Alice Springs Mining Services Expo is an opportunity for businesses involved in the mining and exploration sector to promote their products and services delegates of the adjoining Annual Geoscience Exploration Seminar (AGES).

Attendees include local, national and international businesses, suppliers, purchasers, government agencies and associations across the mining and exploration industry.

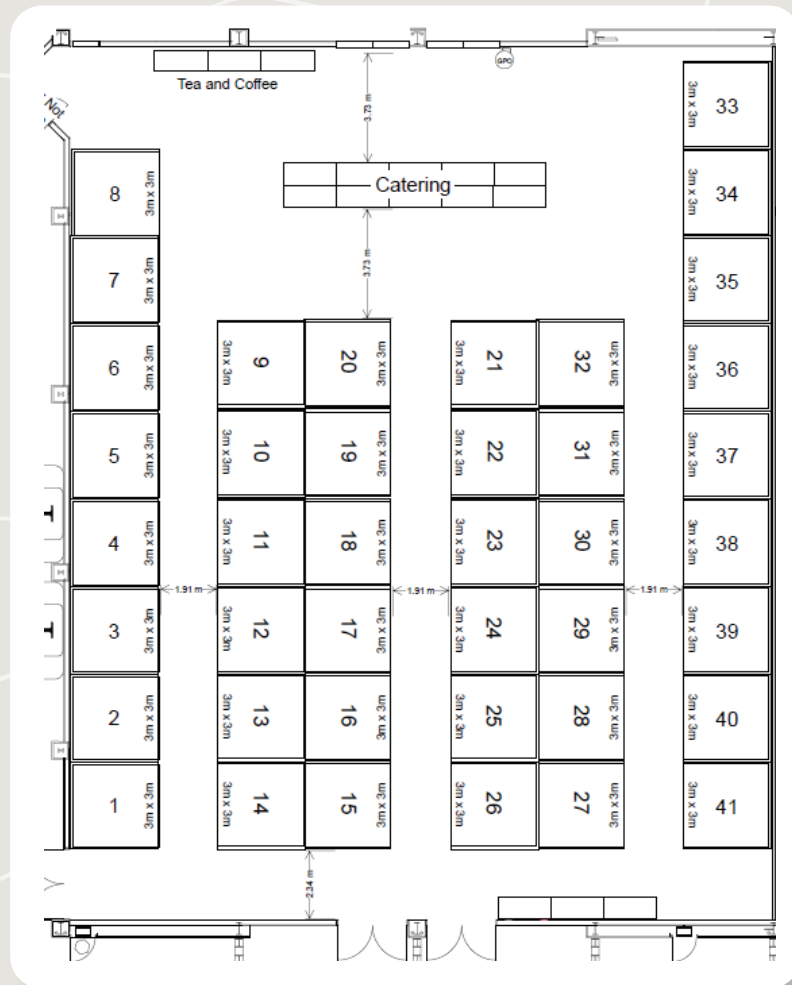

The Mining Services Expo showcases businesses, products and services available in the central Australian region and across the Territory that have the capabilities to service this sector.

Many participants see the expo as vital for networking, promoting and engaging with key industry contacts to grow their business.

If you would like to promote your services at the Expo, contact the Department of Industry Tourism and Trade on (08) 8951 8553 or by email business.ditt@nt.gov.au.
